Dear Members,

A meeting was organised on 14<sup>th</sup> October 2024 at the Main Mediation Centre, 1<sup>st</sup> Floor, PWD Building, High Court, Bombay at which were present the Committee Members of all three associations viz. Bombay Incorporated Law Society, Advocates Association of Western India and Bombay Bar Association. In order to reduce the pendency of cases in the Bombay High Court the three associations were requested to request their members to identify cases which could be disposed of by the Lok Adalat.

All members are therefore requested to identify cases which could be disposed of, such as where the suit/ appeal/ writ / CRA has abated on account of death of the parties, where the parties do not wish to litigate any more, or wherein such matters have been pending for more than a decade or more and are capable of being settled, matrimonial disputes where parties have become aged, accident claims where the manner in which compensation is to be calculated can be settled as per formula set out in the judgement of Pranay Sethi, and such like matters.

A Special Lok Adalat is being held on 30<sup>th</sup> November 2024 and 1<sup>st</sup> December 2024 and hence the support of members is requested to identify such matters and provide a list on or before 23<sup>rd</sup> October 2024 either directly to the Secretary, MSLSA at the Main Mediation Centre at the address mentioned above or to the office of Bombay Incorporated Law Society.
